

Nintendo Switch™

AC Adapter

Health and Safety Information

Please read and observe the health and safety information. Failure to do so could result in injury or damage. Adults should supervise the use of this product by children.

⚠ WARNING – Electrical Safety

- Use the AC adapter (HAC-002(UKV)) to charge the Nintendo Switch console and its accessories.
- Connect the AC adapter to the correct voltage (AC 100 – 240V).
- Do not use voltage transformers or plugs that deliver reduced amounts of electricity.
- The AC adapter should be plugged into a nearby, easily accessible socket.
- The AC adapter is for indoor use only.
- Do not expose the AC adapter to microwaves, high temperatures or direct sunlight.
- Do not let the AC adapter come into contact with liquid and do not use it with wet or oily hands.
- Do not expose the AC adapter to excessive force and do not pull or twist the cable too tightly.
- Do not touch the AC adapter connectors with your fingers or metal objects.
- Do not touch the AC adapter or connected devices while charging during a thunderstorm.
- If you hear a strange noise, see smoke or smell something strange, unplug the AC adapter from the socket and contact Nintendo Customer Support.
- Do not disassemble or try to repair the AC adapter. If the AC adapter is damaged, stop using it and contact Nintendo Customer Support. Do not touch damaged areas. Avoid contact with any leaking fluid.

⚠ WARNING – General

- Keep this product and packaging materials away from young children. Packaging items may be swallowed. The cable can coil around the neck.

CAREFUL USAGE

- If the AC adapter becomes dirty, wipe it with a soft, dry cloth. Avoid using thinner or other solvents.

Disposal of this Product

Do not dispose of this product in household waste. For details see <https://nintendo.sa/support> or <https://docs.nintendo-europe.com>

For explanation of the symbols and markings used on this product, see <https://docs.nintendo-europe.com>

Manufacturer: Nintendo Co., Ltd., Kyoto 601-8501, Japan
 Importer in KSA: AIC Trading Ltd 8113 Al Thoumamah Rd, Ar Rabi, Riyadh 13315

Ecodesign Information

Commercial registration number of KSA authorised representative	1010881807	
Model identifier	HAC-002(UKV)	
Input voltage	AC 100-240V	
Input AC frequency	50/60Hz	
Output voltage*	DC 5.0V	DC 15.0V
Output current	1.5A	2.6A
Output power	7.5W	39.0W
Average active efficiency	76.8%	88.5%
Efficiency at low load (10%)	-	83.0%
No-load power consumption	0.08W	0.08W

* The AC Adapter (HAC-002(UKV)) has two types of DC output power, and the output voltage is automatically changed depending on the connected device.
